Profile

I believe myself to be a top-class broadcast editor with over 20 years experience. I thrive under pressure and can work individually or as part of a team. I take great pleasure in personal responsibility and achieving individual goals. With a credit list including a diverse range of programs and styles, clients feel confident that they will achieve the quality product they want by the deadline they have set.

Employment History

PERMANENT POSITIONS:

Employer: Grey London (Advertising Agency)
Position: Senior Editor (Offline & Online)
Period: May 2010 – Nov 2011
Duties: Main duties comprise working on television commercials from around the world, involving:

- Offline and Online editing and motion graphic design in FCP studio for HD and SD projects;
- Ensuring compliance to broadcast standards and technical specifications;
- Liaising on a day to day basis with account managers, art directors, translators and clients to deliver their requirements on time and within budget
- Encoding to various formats and specifications;
- Audio recording/mixing;
- Media management and maintenance.

In addition to this I provided technical advice and guidance to staff and oversaw the technical training of junior editors.

Employer: Tilling Productions (London)
Position: Producer/Director/Editor
Period: Aug 2004 – Aug 2009
Duties: Employed as part of a small team, I originally started as an edit assist and quickly moved up to editing and producing pieces. Working on a diverse range of projects from broadcast sports and documentary programming, to high level corporate communications for FTSE 100 companies meeting very tight deadlines. I later progressed to directing/producing and editing segments allowing me to take an idea from concept to completion.

Employer: FNA Films (Newcastle)
Position: Editor (Freelance)
Period: 2003 - 2004
Duties: Editing of a variety of productions and promos, including: Northern Film & Media Funded shorts and a low budget feature.

Employer: Channel 31 Access Television (Australia)
Position: Presentations & Operations Assistant
Period: 1999 - 2000
Duties: Director, editor, cameraman and scriptwriter of in-house commercials, documentaries and promotional videos. Other duties included floor managing, switching, on-air management and the supervision of volunteers.

Education

- BA in English, Major Film & Television (Awarded Best Film Student) from Curtin University Western Australia.
- Diploma in Art and Design, Major Industrial Design from W.A. School of Art & Design.
